Sister Shaw to be sure to trade
Cause I am in it now and
will have to trade this. - There
is just about as much hard
as usual, every body restless.
Can't leave there until 1 P.M.
Our train was 100 minutes late
and the train that you had planned
on was gone, so the ticket agent
said - But I don't care what
ever comes I am looking for it

There is a nice waiting^{room}
here where I can read or stop,
I think that I'll go look over
some printing office and
get some price est. during
my wait -

I declare, it cost so much to do
this I am almost sorry I
undertook this trip, but since
I have begun I'll finish it
and try to gain in disposition
what we lose financially
he he -

The "Skaters" or something chewed
on me all night so that I did
not sleep so well. - woke up dozens
of times -

If Pitt hasn't sold the hogs.

Cress dip (there is some in a can
on the back porch I think)

10 P.M. then another wait - then
on - - Will wire you from Salisbury
after Bess get there. and we begin
our journey -

"He" just caught a German
here this a.m. - There are soldiers
every where - Well scattered tho.
I just know you are going
to close that deal with Mrs Shaw
or "Deaf" one, I just feel it
in my bones - Wire me if Mrs Shaw
consent I and Jess will want to
celebrate - Put \$168.00 in Bank
for me, send Edith \$50.00 and use
the rest as you think best.
It is cool here this a.m. will have
to dig out something warmer than
this white drist.
Lots of love to all of the whole Sam.
